25th Harvey Spirit Day

Weekly Skills

- ✓ Review weekly spelling words- test on Fridays
- ✓ Study math facts
- ✓ Review weekly vocabulary
- ✓ Reread assigned stories
- ✓ Evaluate written work

Dear Parents,

I look forward to working with you and your child this year in fourth grade. There are many activities, projects, and areas of study presented throughout the year.

Students will become involved in the Book-It program that enhances our reading program. During reading students focus on the reading strategies: making connections, predicting/infering, asking questions, monitor/clarify, and summarizing. In the area of science, we focus on the fourth grade Foss Kits: Magnets & Electricity, Water, Earth Materials, and Force and Motion. In social studies we will explore the regions of the U.S. and Wisconsin. Students will learn concepts from the Everyday Math series, and writing is an on going process. I know your child will find success in fourth grade, and have a wonderful learning experience.

Sincerely,

Mrs. Banaszynski
