- ✓ Study math facts
- ✓ Review weekly vocabulary
- ✓ Reread assigned stories
- ✓ Evaluate written work

Dear Families,

Your child completed their first quarter in fourth grade. Thank you for promptly signing and returning the midterm progress reports. The quarter ends on November 6th.

Our field trip to the Trimborn Farm was a wonderful success. We are looking forward to future field trips including our Madison trip. If you are interested in joining our class on this trip please return the form and fee by October 28th.

During reading your child continues to focus on the reading strategies: making connections, predicting/infering, asking questions, monitor/clarify, and summarizing.

In the area of science, we are completing the Magnets & Electricity unit, and we'll be starting a Water unit in November.

Also, in social studies we are exploring the regions of the U.S. and soon, your child will be presenting their state report.

Last, we are learning new concepts from the Everyday Math series, and our writing program is an on going process.

Sincerely,

Mrs. Banaszynski
